Worcestershire, West Midlands*

Divisional Organising Committee

I am currently looking for to help with the running of the main Divisional Competitions, as is the case with all other ESSA Divisional reps, I am a volunteer; I have a full time job outside of my ESSA events.

I don't get paid or make any money out of the work I do for Division 6.

Unlike some other areas that have county schools committees that support the ESSA Divisional reps and act as an organising committee, I don't have that support, if I could get a couple of people to get involved with the Divisional activities I feel we could move forward in School swimming in our area.

I need a number of people (Primary / Secondary / Swim Club) who can help in the rounding up of day of competition helpers, our main swimming events are:

April – Primary Relay Team Championships

September – Divisional Team Trials

November – Secondary Relay Team Championships

The main problem I have with all competitions is getting willing helpers for the running of the competition, there are a number of small jobs that need to be done in order for the event to go smoothly.

Recorder for results

Officials

Timekeepers (this is the most difficult to get sorted)

If you can help, or you have a willing parent in mind, please contact me
