**Photo Coverage:**

- **Team pictures prior to the start of the event:** As we did last year, we will offer team photographs service upon arrival in the sports hall where teams will check-in. Make sure to have a chat with a member of our team upon arrival to get your team photo captured.
- **During the event we will provide General Coverage (No Pre-booking):** Free general coverage of the event is available, but individual swimmer photos are **not guaranteed**. Our team will do the best to cover as many swimmers as possible.
- **Schools can purchase images packs to promote their swimming squads:** Schools can purchase marketing packs of images for their social media and website use following the gallery link: https://malaperphotography.instaproofs.com/ESSASECONDARY2026
