**Water Familiarisation Timetable.** As usual this task has been quite difficult as so many of you wanted the later times. Schools travelling from afar or by train have been given the later times. My thanks to schools who are staying in Sheffield over night and have offered to take the earlier times. If you decide **not** to use your water time **please let me know** - I might be able to help someone else. If you miss your time I cannot guarantee offering you an alternative time as all times are taken at the end of the morning.

**Paper from the Referees** concerning the time pads and start – read carefully.
